

INDEPENDENT AUDITOR'S REPORT

To the Members of CREST RESIDENCY PRIVATE LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of **CREST RESIDENCY PRIVATE LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its profit including Other Comprehensive Income, its Cash Flows and the Statement of Changes in Equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SA") specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board report, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other Information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act, with respect to the preparation of these Financial Statements that give a true and fair view of the Financial Position, Financial Performance including other comprehensive income, cash flows and the statement of changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of the appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and fair presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

- ii) (a) As the Company does not have Inventories during the year, clause (ii) (a) of paragraph 3 of the Order is not applicable to the Company.
- (b) The Company has not availed any working capital limits from banks or financial institutions during the year on the basis of security of current assets. Consequently, the requirement of clause (ii) (b) of paragraph 3 of the Order is not applicable to the Company.
- iii) With respect to investments made in or any guarantee or security provided or any loans or advances in the nature of loans, secured or unsecured, granted during the year by the Company to companies, firms, Limited Liability Partnerships or any other parties:-
- a) As per the information and explanations given to us and books of accounts and records examined by us, during the year, the Company has not provided any guarantee or security and has not granted any advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other entities. With respect to loans granted during the year:
- i. Loan of Rs. 42.50 Lakhs has been renewed to one entity during the year. The balance outstanding at balance sheet date with respect to such loan is Nil.
- b) In our opinion and according to information and explanations given us and on the basis of our audit procedures, the terms and conditions of all loans made by the Company are not prejudicial to the Company’s interest. The Company has not made any investments and not provided any guarantees or given security and has not granted any advances in the nature of loans during the year.
- c) According to the books of accounts and records examined by us in respect of the loans, where the schedule of repayment of principal and payment of interest has been stipulated, the repayments or receipts are regular.
- d) In respect of the said loans and interest thereon, there are no overdue amounts.
- e) During the year the Company has renewed and extended the existing loans given to the same parties. In respect of the said loans:-

(Rs. In Lakhs)		
Name of the Parties	Aggregate amount of overdues of existing loans renewed or extended or settled by fresh loans	Percentage of the aggregate to the total loans granted during the year
Brijwasi Securities Private Limited	42.50	100%

- f) In our opinion and according to information and explanation given and records examined by us, the Company has not granted any loans either repayable on demand or without specifying any terms or period of repayment.
- iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and Section 186 of the Act.
- v) According to the information and explanations given to us, the Company has not accepted any deposits and there are no amounts which are deemed to be deposit, within the meaning of provisions of Section 73 to 76 or any other relevant provisions of the Act and the rules framed there under. Therefore, the clause (v) of paragraph 3 of the Order is not applicable to the Company.
- vi) To the best of our knowledge and explanations given to us, the Central Government has not prescribed the maintenance of cost records under sub section (1) of Section 148 of the Act in respect of the activities undertaken by the Company.
- vii) In respect of Statutory dues :
- a) According to the records of the Company, undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues as applicable to it have been regularly deposited with appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid dues, were outstanding as at March 31, 2022 for a period of more than six months from the date they became payable.
- b) According to the information and explanations given to us, there are no dues of goods and services tax, provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues as applicable to it, which have not been deposited as on March 31, 2022 on account of any dispute.
- viii) According to the information and explanations given to us, there are no transactions which have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961(43 of 1961). Consequently, the requirement of clause (viii) of paragraph 3 of the Order is not applicable to the Company.
- ix) (a) According to the information and explanations given to us, the Company has not raised any loan or other borrowings; hence clause (ix) (a) of paragraph 3 of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) According to the information and explanations given to us, the Company has not raised money by way of term loan.

- (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the Financial Statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) As the Company has no subsidiaries, associates or joint ventures, hence clause (ix) (e) and (ix) (f) of paragraph 3 or the Order is not applicable to the Company.
- x) (a) The Company has not raised money by way of initial public offer or further public offer (including debt instruments) and hence clause (x) (a) of paragraph 3 of the Order is not applicable to the Company.
- (b) In our opinion and according to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year.
- xi) (a) Based on the audit procedures performed for the purpose of reporting the true and fair view of the Financial Statements and as per information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the year.
- (b) In our opinion and according to the information and explanations given to us and as represented to us by the Management, there are no reports under sub-section (12) of Section 143 of the Companies Act, 2013 has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As represented to us by the Management, there are no whistle blower complaints received by the Company during the year.
- xii) In our opinion the Company is not a Nidhi Company. Therefore, the provisions of clause (xii) of paragraph 3 of the Order are not applicable to the Company.
- xiii) (a) In our opinion and according to the information and explanations given to us, Section 177 of the Act is not applicable to the Company.
- (b) In our opinion and according to the information and explanations given to us, Company is in compliance with the Section 188 of the Companies Act, 2013 and requisite details have been disclosed in the financial statements.
- xiv) In our opinion and based on our examination, the Company doesn't have an internal audit system and is not required to have an internal audit system as per provisions of the Companies Act, 2013. Consequently, the provisions of clause (xiv) (a) to (xiv) (b) of paragraph 3 of the Order are not applicable to the Company.
- xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transaction with the directors or persons connected with him and covered under Section 192 of the Act. Hence, clause (xv) of the paragraph 3 of the Order is not applicable to the Company.
- xvi) (a) To the best of our knowledge and as explained, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

(b) In our opinion, and according to the information and explanations provided to us and on the basis of our audit procedures, the Company has not conducted any Non-Banking Financial or Housing Finance activities during the year as per the Reserve Bank of India Act, 1934.

(c) In our opinion, and according to the information and explanations provided to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.

(d) The Group does not have any Core Investment Company (CIC) as part of the Group as per the definition of Group contained in the Core Investment Companies (Reserve Bank) Directions, 2016 and hence the reporting under clause (xvi)(d) of the Order is not applicable.

xvii) The Company has not incurred cash losses during the financial year covered by the audit and in the immediately preceding financial year.

xviii) There has been no resignation of the statutory auditors during the year and accordingly this clause is not applicable.

xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the Financial Statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

xx) In our opinion and according to the information and explanations given to us, the provisions of Section 135 of the Companies Act, 2013 are not applicable to the Company; hence clause 3 (xx) (a) and 3 (xx) (b) are not applicable to the Company.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS OF CREST RESIDENCY RIVATE LIMITED

(Referred to in paragraph 2 (f) under 'Report on Other Legal and Regulatory Requirements' of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **CREST RESIDENCY RIVATE LIMITED** ("the Company") as of March 31, 2022 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note issued by ICAI and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these Financial Statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to these Financial Statements.

Meaning of Internal Financial Controls Over Financial Reporting With Reference To These Financial Statements

A Company's internal financial control over financial reporting with reference to these Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting with reference to these Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company ; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting With Reference To These Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these Financial Statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting with reference to these Financial Statements and such internal financial controls over financial reporting with reference to these Financial Statements were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

1 COMPANY OVERVIEW

Crest Residency Private Limited ("the Company") is a private limited company incorporated and domiciled in India under Companies Act, 1956 and existing under the Companies Act, 2013. The registered office of the Company is located at 111, Maker Chamber IV, 11th Floor, Nariman Point 400021. The Company is a wholly owned subsidiary of Crest Ventures Limited, a Non Banking Financial Company registered with the Reserve Bank of India and listed on the BSE Limited (BSE) and National Stock Exchange of India Limited (NSE). The Company is primarily engaged in the business of real estate development and related services.

2 SIGNIFICANT ACCOUNTING POLICIES:

2.1 Basis of Preparation & Presentation

The financial statements of the Company have been prepared to comply with the Indian Accounting standards ("Ind AS"), including the Accounting Standards notified under the relevant provisions of the Companies Act, 2013 (as amended from time to time) and presentations requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS Compliant Schedule III) as amended time to time.

The financial statements have been prepared on accrual basis of accounting using historical cost basis.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Act. The Company considers twelve months to be its normal operating cycle.

The Company's financial statements are presented in Indian Rupees (₹), which is also its functional currency and all values are rounded to the nearest Lakhs (₹00,000), except when otherwise indicated. Amount in zero (0.00) represents amount below ₹1,00,000.

2.2 Use of Estimates

The preparation of financial statements in conformity with the recognition and measurement principles of Ind AS requires management of the Company to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures including disclosures of contingent assets and contingent liabilities as at the date of financial statements and the reported amounts of revenues and expenses during the period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in future periods which are affected.

2.3 Measurement of Fair Values

The Company's accounting policies and disclosures require the measurement of fair values for financial instruments.

The Company has an established control framework with respect to the measurement of fair values. The management regularly reviews significant unobservable inputs and valuation adjustments.

When measuring the fair value of a financial asset or a financial liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: quoted prices in active markets for identical financial assets or financial liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the financial asset or financial liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the financial asset or financial liability that are not based on observable market data.

If the inputs used to measure the fair value of an financial asset or a financial liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

2.4 Significant management judgement in applying accounting policies and estimation:

The following are significant management judgements in applying the accounting policies of the Company that have the most significant effect on the financial statements.

i Financial Instruments

(a) Financial Assets

Initial recognition and measurement:

The Company recognizes a financial asset in its balance sheet when it becomes party to the contractual provisions of the instrument. All financial assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Subsequent measurement:

- Financial assets carried at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

- Financial assets at fair value through other comprehensive income (FVTOCI)

Financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

- Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

Impairment of financial assets:

The Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

Losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date; or losses that result from all possible default events over the life of the financial instrument.

In case of trade receivables and loans receivables, the Company follows a simplified approach wherein an amount equal to lifetime ECL is measured and recognized as loss allowance.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

(b) Financial Liabilities

Initial recognition and measurement:

The Company recognizes a financial liability in its balance sheet when it becomes party to the contractual provisions of the instrument. All financial liabilities are recognised initially at fair value, in the case of loans, borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement:

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(c) Derecognition of financial instruments:

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Indian Accounting Standard (Ind AS) 109 "Financial Instruments". A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

ii Income Taxes

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

Minimum Alternate Tax (MAT) paid in accordance to the tax laws, which gives rise to future economic benefits in the form of adjustments of future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the balance sheet when it is probable that the future economic benefit associated with it will flow to the Company and the asset can be measured reliably. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

iii Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

iv Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured and there exists reasonable certainty of its recovery.

Fee and service income are measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government if any.

Interest income on financial instruments at amortised cost is recognised on a time proportion basis taking into account the amount outstanding and the effective interest rate ("EIR") applicable. The EIR is the rate that exactly discounts estimated future cashflows of the financial instrument through the expected life of the financial instrument or, where appropriate a, shorter period, to the net carrying amount of the financial instrument. The future cashflows are estimated taking into account all the contractual terms of the instrument.

v Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised in the balance sheet when the Company has a present obligation as a result of a past event, which is expected to result in an outflow of resources embodying economic benefits which can be reliably estimated. Each provision is based on the best estimate of the expenditure required to settle the present obligation at the balance sheet date. Where the time value of money is material, provisions are measured on a discounted basis.

Contingent liability is disclosed in case of a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation and a present obligation arising from past events, when no reliable estimate is possible.

Contingent assets are not recognised in the financial statements.

vi Borrowings Cost

Borrowing cost attributable to acquisition and construction of qualifying assets are capitalised as a part of the cost of such assets up to the date when such assets are ready for its intended use.

vii Earnings Per Share

The Company reports basic and diluted earnings per equity share. Basic earnings per equity share have been computed by dividing net profit / loss attributable to the equity share holders for the year by the weighted average number of equity shares outstanding during the year.

Diluted earnings per equity share have been computed by dividing the net profit attributable to the equity share holders after giving impact of dilutive potential equity shares for the year by the weighted average number of equity shares and dilutive potential equity shares outstanding during the year.

2.5 Standards issued but not effective:

On 23rd March, 2022, the Ministry of Corporate Affairs (MCA) has notified Companies (Indian Accounting Standards) Amendment Rules, 2022. This notification has resulted into amendments in the following existing accounting standards which are applicable to the Company from 1st April, 2022. Application of below standards are not expected to have any significant impact on the Company's financial statements:

Ind AS 101 – First time adoption of Ind AS

Ind AS 103 – Business Combination

Ind AS 109 – Financial Instrument

Ind AS 16 – Property, Plant and Equipment

Ind AS 37 – Provisions, Contingent Liabilities and Contingent Assets

Ind AS 41 – Agriculture

22 Fair Value of Financial Assets and Liabilities:

(a) Accounting classification and fair values

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy:

(₹ in Lakhs)

	As at 31st March, 2022				
	Carrying Value	Fair Value			Total
		Level 1	Level 2	Level 3	
Financial Assets					
At Amortised Cost					
Cash and cash equivalents	54.03	-	-	-	-
Loans	-	-	-	-	-
Other financial assets	-	-	-	-	-
Total	54.03	-	-	-	-

		Level 1	Level 2	Level 3	
Financial Assets					
At Amortised Cost					
Cash and cash equivalents	3.68	-	-	-	-
Loans	42.50	-	-	-	-
Other financial assets	2.13	-	-	-	-
Total	48.31	-	-	-	-
Financial Liabilities					
Total	-	-	-	-	-

(b) Measurement of fair values

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions, regardless of whether that price is directly observable or estimated using a valuation technique. The Financial Instruments are measured subsequent to initial recognition at fair value, grouped into Level 1 to Level 3, as described below:

Level 1: quoted prices in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data.

The management assessed that fair value of cash and cash equivalents, loans and other financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

There have been no transfers between Level 1 and Level 2 for the years ended 31st March, 2022 and 31st March, 2021.

(c) Derivative Financial Instruments

The Company has not entered into any derivative financial contracts during the current and previous financial years.

23 Financial Risk Management

The Company has exposure to the following risks arising from financial instruments:

- (i) Credit risk;
- (ii) Liquidity risk; and
- (iii) Market risk (including currency risk and interest rate risk)

The Company's management is overall responsible for identification, analysis and the mitigation of various risks faced by the Company. The Company follows the Group's risk management policies which is established and reviewed by the Risk Management Committee established by the Board of Directors of Crest Ventures Limited, the Holding Company.

The below mentioned notes explains the sources of risk to which the entity is exposed to and how the entity manages the risk.

(a) Credit Risk

Credit Risk refers to risk that a counter party will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as investments, other balances with banks, loans and other receivables.

Cash and Cash equivalents and other financial assets

The Company maintains exposure in cash and cash equivalents and deposits with banks. Cash and cash equivalents are held with high rated banks/financial institutions and short term in nature, therefore credit risk is perceived to be low.

(b) Liquidity Risk

The Company's principal sources of liquidity are 'cash and cash equivalents' and cash flows that are generated from operations. The Company believes that its working capital is sufficient to meet the financial liabilities within maturity period. The Company has no borrowings.

(c) Market Risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as equity price, interest rates etc.) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices.

Interest Rate Risk

Interest rate risk arises from effects of fluctuation in prevailing levels of market interest rates on the fair value of Bonds / Exposure to interest rate risk :

Since the Company does not have any financial assets or financial liabilities bearing floating interest rates, any change in interest rates at the reporting date would not have any significant impact on the financial statements of the Company.

Currency risk:

Currently company does not have transaction in foreign currencies and hence the company is not exposed to currency risk.

Price risk:

Price risk is the risk of fluctuations in the value of assets and liabilities as a result of changes in market prices of investments. The Company has not invested in equity securities and hence it is not exposed to equity price risk. The Company does not invest in commodities and is not exposed to commodity price risk.

24 Capital Management

The primary objective of the Company is to maximise shareholder value, provide benefits to other stakeholders and to maintain an optimal capital structure to reduce the cost of capital.

The Company has adequate cash and cash equivalents. The company monitors its capital by a careful scrutiny of the cash and cash equivalents and a regular assessment of any debt requirements. In the absence of any debt at the year end, the maintenance of debt equity ratio etc. may not be of any relevance to the Company.

25 Additional disclosures required as per Schedule III to the Companies Act, 2013 vide Notification dated 24th March, 2021:

- a. There are no proceedings which have been initiated or pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.
- b. The Company has not been declared as Willful Defaulter by any Bank or Financial Institution or other Lender.
- c. As per section 248 of the Companies Act, 2013, there are no balances outstanding with struck off companies.
- d. The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:
 - i. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (Ultimate Beneficiaries) or
 - ii. provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- e. The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that shall:
 - i. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or
 - ii. provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- f. The Company does not have any transactions not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961). Also, there are no previously unrecorded income and related assets that have been properly recorded in the books of account during the year.
- g. The Company has not traded or invested in Crypto currency or Virtual Currency during the financial year.
- h. The Schedule III requirements of the Companies Act, 2013 have been complied with to the extent applicable.

26 Previous year's figures have been regrouped and reclassified, wherever considered necessary, to correspond with current year's classification and disclosure.
